

Cabernet Sauvignon

v. 2018

ABOUT THE BRAND

For generations, these vines have stood up to the sun and rain, each year producing grapes that capture the essence of the soil surrounding them. Their mature nature allows them to withstand drought, ripen more evenly, and have more intense, concentrated flavors. Our family has farmed these grapes for five generations and we are honored to think of them as part of the family.

TASTING NOTES

Deep garnet in color, with notes of coffee and chocolate that pave the way for ample dark fruit flavors. Currants and black cherry are lively with medium tannins and subtle spice that coats the palate on the finish.

FERMENTATION & AGING

Aged for 8 months on 40% American oak and 60% French oak.

TECH DATA

Alcohol: 13.7% | pH: 3.64 | Total Acidity: 5.9g/L
