

## Pinot Noir

v. 2018

### ABOUT THE BRAND

For generations, these vines have stood up to the sun and rain, each year producing grapes that capture the essence of the soil surrounding them. Their mature nature allows them to withstand drought, ripen more evenly, and have more intense, concentrated flavors. Our family has farmed these grapes for five generations and we are honored to think of them as part of the family.

### TASTING NOTES

Balanced fruit-forward style with lifted aromas of red berry, earthy and jammy fruit, and hints of oak. The wine shows balanced acid and integrated tannins with a tart, clean finish.

### FERMENTATION & AGING

Aged for 6 months on 100% French oak.

### TECH DATA

Alcohol: 13.7% | pH: 3.63 | Total Acidity: 5.6g/L
